Pub Packs

One friend of the Steadfast Trust in Leicester put together 20 superb pub packs with the help of a grant from the charity. If you have any ideas you'd like to get involved in, please contact us.

Sponsoring the largest English St George Parade

As a grant giving charity, we welcome the opportunity to financially support events that seek to promote English community activities.

When the local council in the Stone Cross area of West Bromwich stopped the funding of the St George parade, we were asked by the organisers to assist by providing £1375 in funds. Approximately 20,000 people attended this wonderful event and next year we hope to help out even more.

We have recently purchased stall items so that Steadfast Trust supporters are better equipped in promoting our charity and raising money.

These items are already being put to good use.

Fundraising Activities

Supporters of the Steadfast Trust have been busy pursuing activities in raising awareness and funds for the charity.

Jana and Tim made £380.50 by selling cakes, biscuits and books at a local village fair

Mark and Lynn (who is taking the picture below) organised a pub quiz and stall promoting the traditions and history of the English earning £55

Phil, Andrew and Craig raised over £73 doing a sponsored walk along the 7.5 mile Anglo-Saxon earth barrier monument.

Congratulations to our supporters who have made over £500 for the charity. This are precisely the sort of enjoyable activities that let people know that the English are involved, have a voice and will be heard.

Apologies for late Bulletin

Hopefully this double edition bulletin will make up for the delay in posting the bi-monthly bulletin. We have tried to provide a good selection of events to show the activities that supporters of the charity are involved in, if you are involved in any work for the charity, take a picture, write up the event and we will willingly publicise it. Many items listed on the bulletin can be viewed from our websites 'News and Updates' section, so do take a look.
