Charity Fundraiser Week

23rd April – 3rd May

The 23rd April (St George’s Day) to the 3rd of May (Mayday Bank Holiday) 2010 is the official Steadfast Trust Fundraiser Week. The charity would love anyone involved in the charity to organise a simple event during one of these days to raise funds for the charities work.

Stall events and leafleting are great ways of spreading the charities message, raising funds and recruiting more donating Friends.

Steadfast Trust – Unrepresented English

Recent research uncovered how much the English are invisible as an ethnic group. With regards to pressure groups and registered bodies, the ‘Black Manifesto’ group has recognised the existence of 15-17,000 black minority ethnic community groups while there are no English ones, also of the over 6850 ethnic specific charities in England and Wales, we are the only English focused one – and hopefully worthy of your support.
