Steadfast Trust - Charity for the English

To achieve the £10,000 target we need you all to consider offering a small donation.

If everyone who receives this bulletin gave just £1, the target would be easily met and you can do this in a number of simple ways as shown at www.steadfasttrust.org.uk/donate.php. Its not much to ask, and collectively goes a long way in furthering the aims and objectives of the charity and helping our people.
