"Fancy a walk?"

Nearly £400 was raised by two sponsored walk events at the end of September.

Particular congratulations must go to 6 year old English rose, Ella, who raised a fantastic £250 on a local Leicester sponsored walk.

A local Steadfast Trust group of five East Anglians got together to do a sponsored walk along Devil's Dyke raising £125.

Why get involved?

As we steadily build up and professionalise the charity, we hope to assist the English community in knowing our rights and entitlements as well as enabling and supporting you in securing your sense of identity. We have big plans for 2009 and all support is deeply appreciated.
